Sections:

5.52.010 Flammable combustible material handler defined.

5.52.020 License—Required.

5.52.030 License—Fee.

5.52.040 Compliance with laws.

5.52.010 Flammable combustible material handler defined.

“Flammable combustible material handler” means any person carrying on the business of buying, selling, manufacturing or transporting oil, gasoline, naphtha, liquefied petroleum gases, oxygen, or other combustible materials, motor fuels or lubricants, in quantities of ten gallons or more.

5.52.020 License—Required.

It is unlawful to manufacture, deal in, sell, transport or handle flammable, combustible materials without first obtaining a license.

5.52.030 License—Fee.

The annual license fee for a handler of combustible materials license shall be as specified in the consolidated fee schedule.

5.52.040 Compliance with laws.

Flammable combustible material handlers must comply with all applicable provisions of the state fire code, and all other applicable laws, rules and regulations regulating the handling, manufacture and sale of flammable combustible materials.
